WildGuides and Crossbill Guides Foundation have added this guidebook to its series of nature guides. The book introduces you to this fascinating region, north of Warsaw, and provides you with itineraries which allow you to discover the area at your own pace. The whole of the province of Podlasia, in which the Biebrza is situated, has a wealth of natural treasures. A trip to the Biebrza is easily combined with a visit to the nearby Narew National park and to the famous Bialowieza National Park.

- ✓ Covers the 70 km of Marshlands from Wizna in the south to Kapice and Dolistowo in the north
- ✓ Contains a full description of the landscapes and scenery of the National Park region, its flood forests and fens.
- ✓ Includes a geographical and habitat overview which helps to explain the special nature of the region's wildlife
- ✓ The flora, birds, insects, reptiles and amphibians, each have a section describing their special requirements and where they might be found.
- ✓ The main section of the book contains suggested routes for walks and cycle rides around nine sections of the marshland region, including maps and special points of interest.

**Readership:** For all who enjoy being in and learning about nature, and who want to know where to go and what one will see.
